

INDIANA COUNTY
Associate Director

Indiana County has an immediate opening for Associate Director. The rate is \$51,958 per year. This position performs complex professional level research for economic development and community development initiatives, strategic and special projects management, capital project management, public facilities planning, policy development and related project administrative functions.

QUALIFICATIONS:

Education equivalent to completion of a Bachelor's Degree program at an accredited college or university.

At least four years of technical planning, housing, community and/or economic development experience, one year of which shall have been at the supervisory level for a geographic region involving one or more local jurisdictions.

Or, any equivalent combination of acceptable training and experience which includes education equivalent to completion of a Bachelor's Degree program as an educational minimum. Graduate education in urban or regional planning or in a related area will be considered on a year-to-year basis for up to two years of the experience requirements.

Interested candidates should send a resume and cover letter to the address below by July 31, 2023
